

An African Wish

Amani, upendo, umoja. Grant us peace, bring us love and unity.

Amani, upendo, umoja. Grant us peace, bring us love and unity.

This is a dream ev'rybody can share,

This is the hope of people ev'rywhere.

This is our time, so we will sing together as one.

Amani, upendo, umoja. Grant us peace, bring us love and unity.

Grant us peace, bring us love and unity.
