

Lost At Sea

***Stowaway: Shining star up in the night, can you tell me why
I can't see what you can see up there in the sky.***

Lost at sea. Lost at sea. Tell me where I'm meant to be.
Hear my plea, set me free, 'cause I'm lost, I'm lost at sea.

***Stowaway: I'm alone and I'm afraid; rolling with the tide.
Don't you know, sure, as I grow what I feel inside?***

Lost at sea. Lost at sea. Tell me where I'm meant to be.
Hear my plea, set me free, 'cause I'm lost, I'm lost at sea.
Lost at sea. Lost at sea. Tell me where I'm meant to be.
Hear my plea, set me free, 'cause I'm lost, I'm lost at sea.

Stowaway: What will become of me?
