

Celebrating Hanukkah

Turn, turn, turn, the dreidle will turn.
Burn, burn, burn, the candles will burn.
We're so glad, the time is growing near.
Celebrating, celebrating Hanukkah each year.
Celebrating, celebrating Hanukkah is here.

Dreidle, dreidle, dreidle, I made it out of clay;
And when it's dry and ready, oh, dreidle, I shall play.

Light, light, light, the candles each night.
Bright, bright, bright, our hearts growing light.
Friends and neighbors whether far or near;
Celebrating, celebrating Hanukah each year.
Celebrating, celebrating Hanukkah is here.

Dreidle, dreidle, dreidle, it loves to dance and spin.
Oh, happy game of dreidle, come play, now let's begin.

Spin, spin, spin, the dreidle will spin.
Win, win, win, let's see who will win.
Games and songs and things we hold so dear;
Celebrating, celebrating Hanukah each year.
Celebrating, celebrating Hanukkah is here.

(celebrating, celebrating) Hanukkah is here!
