

One Candle

(SOLO)One candle, one light, burning clear throughout the night.

One candle, one symbol of peace.

(SOLO)One candle, plus one, now a glimmer has begun.

Two candles, two symbols of peace.

Dona nobis, nobis pacem, in the glow of candlelight I see;

Dona nobis, nobis pacem, peace for you and me.

Three candles, then four, shining stronger than before.

Five candles, six candles burn bright.

More candles join in, see a spark of hope begin.

Each candle increasing the light.

Dona nobis, nobis pacem, in the glow of candlelight I see;

Dona nobis, nobis pacem, peace for you and me.

Your candlelight with mine will radiate and shine,

Growing stronger, for all the world to see you and me.

Dona nobis, nobis pacem, in the glow of candlelight I see;

Dona nobis, nobis pacem, peace for you and me. Peace for you and me.
