

Thirty-Two Feet, Eight Little Tails

Gallopin' gallopin' gallopin' gallopin'

Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner, Blitzen,
Over the moon so bright.

Thirty two feet and eight little tails of white.

Hurry, hurry, hurry through the night.

Old Saint Nick he works so quickly

Leaving toys for girls and boys then over the roof so high

Thirty two feet and eight little tails they fly

Faster, faster, faster through the sky.

Oh, look at 'em go. Santa's laughin' "ho, ho, ho, ho, ho, ho, ho, ho, ho"

Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner, Blitzen,

Over the garden wall Thirty two feet and eight little tails and all.

See 'em canter hear ol' Santa call.

Merry, merry Christmas to you all.
