

King of the High "Cs"

He is the finest of us all; handsome, brave and very tall,
He can fill a concert hall. And sounds great in a shower stall.
Sits up in the high crow's nest, never taking vocal rest,
Singing, he's the very best. Some might say he is possessed.
He's the King of the High, King of the High, King of the High, High "Cs".

His voice is like a golden bird; he sings most ev'ry single word,
Greatest voice you've ever heard. I think it's all a bit absurd.
Wears the finest finery, some superb designery.
Sings major or in minory, but smells like a refinery.
He's the King of the High, King of the High, King of the High, High "Cs"
