

## **Christmas Is Coming!**

Christmas is coming. Christmas is coming.  
Time to go to sleep, 'cause Christmas is coming soon.

Now it's time to go to bed. That's what ev'rybody said.  
Brush your teeth, put P.J.s on. Wash your face, then start to yawn.  
Now it's time to go to bed. That's what ev'rybody said.

Now it's time to go to sleep. Close your eyes and count some sheep.  
When you wake from this long night, Santa will have made his flight.  
Now it's time to go to sleep. Close your eyes and count some sheep.

Sleep.

## **The Sugar Plums**

Can't you see those lovely sugar plums,  
Dancing here, dancing there, dancing all around?  
Can't you see those lovely sugar plums  
Jumping here, jumping there, jumping up and down?  
Can't you see those lovely sugar plums,  
Hopping here, popping there, never make a sound?  
They're so yummy, in my tummy, nice and gummy, sugar plums!

## **St. Nick At Night**

Jolly old St. Nicholas, lean your ear this way.  
Don't you tell a single soul what I'm going to say.  
Christmas Eve is coming soon, now you dear old man,  
Whisper what you'll bring to me. Tell me if you can.

Have you heard about St. Nick at night, trav'ling all across the world in flight,  
Carrying a great big sack and deliv'ring toys in no time flat?  
Christmas Eve he will be at your house, keeping very quiet as a mouse.  
Landing right upon your roof, in the morning look for proof!

When the clock is striking twelve, when I'm fast asleep,  
Down the chimney broad and black with your pack you'll creep.  
All the stockings you will find hanging in a row.  
Mine will be the shortest one; you'll be sure to know.

That's good St. Nick at night.

## Reindeer On The Roof

Reindeer on the roof. / *Wake up, I think I hear*  
They're on the roof. / *Santa and his eight reindeer.*  
They're on the roof. / *I knew they would arrive.*  
They're on the roof. / *I'm the luckiest kid alive!*  
I said the

(all) Reindeer, the reindeer are on the roof. They're on the roof.

Reindeer on the roof. / *Wake up, I think I see*  
They're on the roof. / *Lots of presents just for me..*  
They're on the roof. / *They've loaded up the sleigh.*  
They're on the roof. / *Getting ready for this big day.!*  
I said the

(all) Reindeer, the reindeer are on the roof. They're on the roof.

(all) I hear them prancing. I hear them dancing.  
They're so entrancing. Reindeer on the roof!  
I hear their hoofbeat. It's sounding so sweet.  
They're here on my street. Reindeer on the roof!

Reindeer on the roof. / *Wake up, I think I hear*  
They're on the roof. / *Santa and his eight reindeer.*  
They're on the roof. / *I knew they would arrive.*  
They're on the roof. / *I'm the luckiest kid alive!*  
I said the

## To All A Good Night

Happy Christmas to all! Happy Christmas to all! And to all a good night.  
Happy Christmas to all! Happy Christmas to all! And to all a good night.

Make my Christmas happy; make my Christmas bright.  
May Santa and his sleigh come this holiday and fill my stocking up tight.  
Make my Christmas happy; make my Christmas bright.  
We all heard him say as he went on his way:  
Happy Christmas to all, and to all a good night

Make my Christmas merry; fill it full of joy.  
May each and ev'ry one have a ton of fun, make it a day to enjoy.  
Make my Christmas merry, make my Christmas bright.  
Good things come to you in all that you do.  
Happy Christmas to all, and to all a good night.  
Happy Christmas to all, and to all a good night,  
To all a good night!
