

Pull!

This is a time for heroics This is a time to be brave.

If we all work together and do our part, this elephant's life we'll save.

Pull! Ev'rybody pull!

Dig with your heels and your backpaws.

Tug with your hands or your claws.

Never give in or the croc will win.

He's holding our friend in his jaws.

Pull! Ev'rybody pull!

Pull with your legs or your haunches.

Pull with your spine and your paunches.

Pull with your heart or he'll pull him apart

Don't let him go or he launches.

Pull! Ev'rybody pull!

This is no joke, this is not a prank.

Some day this pachyderm will thank

All who would do the best they could,

Now ev'ryone give him a yank!

Pull! Ev'rybody pull!

Pull! Pull! Pull! Pull! Pull! Pull!
