

It's A Small World

It's a world of laughter A world of tears
It's a world of hopes And a world of fears
There's so much that we share That it's time we're aware
It's a small world after all
It's a small world after all It's a small world after all
It's a small world after all It's a small, small world

There is just one moon And one golden sun
And a smile means Friendship to ev'ryone
Though the mountains divide And the oceans are wide
It's a small world after all
It's a small world after all It's a small world after all
It's a small world after all It's a small, small world

It's a small world after all It's a small world after all
It's a small world after all It's a small, small, small, small world
